Toton  
Nottingham  
Nottinghamshire, NG9 6EN

This is one amazing condition VW Beetle Cabriolet. This is a 1.6 petrol Sola with a practically perfect interior. The roof in particular is in near perfect condition with very few of the normal wear marks and the exterior is nice as well. The alloy wheels are booked in to have a full powder coating refurbishment and the tyres are near new all round. The car also has brand new disc and pads front and back and new spark plugs and leads and has a full service history including a new timing belt and water pump at 40000 miles. This car really has to be seen to fully appreciate how great it really is. This is the perfect time of year to buy a real smile maker. It will also come with a fresh 12 month MOT, 6 months warranty as well as 12 months AA breakdown cover. We are a family run dealership located just 2 miles from junction 25 on the M1 motorway. We also have a indoor showroom so if the weather is bad we can present our cars to you inside.
